

Broughton Primary School Nursery Class

August – October 2019

Newsletter

Dear Parents/Carers,

Welcome back to everyone, I hope you all enjoyed some family time during our holiday. This newsletter brings you some information about the nursery and dates for your diaries this term. Events and updates are posted regularly on our school website: www.broughtonprimary.org, including a celebration of what has been happening at Broughton. The nursery has their own page that is dated with information and newsletters. It is also used as a media for us to share the great achievements and learning that is happening in the nursery. Please remember you can sign up through the website so that you are sent notifications when anything new has been added.

Nursery Team

We welcome Esperanza Locuna Nieto and Sabela Rivas-Vazquez to the nursery team this session. They are both Early Year Practitioner students working towards their SVQ level 7 Social Services Children and Young People. Ms Roberta Buda has also joined the team this session and will be working in the nursery on a Monday and Friday. You will find a full list of the nursery team at the end of this newsletter.

New Families

The nursery has been very quiet over the past week with just the returning children from last session attending. Over the next few weeks our new families and children will start to gradually settle into the nursery. We welcome them all to Broughton.

Safety and Security

Children's safety is always a priority, so it is important to ensure that both the main door and gate to the garden are always properly closed. A gentle reminder that the latch at the top of the gate has to be closed over. Please do not use the door at the other end of the building as this is the door used by the school. The school carpark must not be used to pick up or drop off. Please use the path beside the carpark, the car park should not be used as a short cut.

The nursery team tidy the garden with the children during their nursery session. Can you please not stay to play on the tidied equipment when you leave at the end of the session. The garden closes at 3.30pm. You are more than welcome to play in the school playground.
