What we mean by early learning and childcare expansion

This is an exciting time of change in early learning and childcare. The Scottish Government has asked all councils to increase funded early learning and childcare (ELC) by 2020. This means more funded hours, more choice of where your child goes to nursery and more flexible models for ELC.

Just now every 3 and 4-year old and eligible 2-year old is entitled to 600 funded hours (just under 16 hours a week over 38 weeks). This will almost double to 1,140 funded hours from 2020.

This is a big change for everyone and we already have plans underway so we can meet the 2020 target.

Our aim is to offer families high quality, flexible, accessible and affordable early learning and childcare.

What it means for you

You will be entitled to 1,140 funded childcare hours a year if you have a 3 or 4-year old. This will be available the term after your child's third birthday. For example, if your child turns three in September they will get their funded hours from the following January.

Some 2-year olds will also be eligible for the funded hours. The criteria for 2-year olds is explained on page 5.

You will get your funded hours during school term time or across the whole year depending on the model provided by your ELC setting.

When it will happen

From August 2020, 1,140 funded hours will be available at ELC settings and with childminders working in partnership with the Council.

We're already offering 1,140 hours at some of our early learning and childcare settings and we will continue to add to this number until 2020.

We currently have 137 ELC settings offering 1140, 5 Forest Kindergartens and 28 Childminders in partnership offering places to around 3,500 children.

How we will deliver the increase in hours

There are several ways we will deliver 1,140 hours and the tables at the end of this document give you an idea of how different nurseries can provide the 1,140 hours. You'll see from these that there are more options and there is a lot more flexibility. Some examples include:

- Settings increasing their opening hours or extending the number of weeks they're open in the year
- nursery half day and Forest Kindergarten for half a day
- attend nursery in the morning and a childminder in the afternoon
- attend a childminder in partnership with the Council*.

*We are currently promoting the opportunity for childminders to work in partnership with the Council.

What if my child lives in another local authority area?

All children will be entitled to 1140 hours of ELC from August 2020. If your child goes to an Edinburgh nursery but lives in another council's area, you may be able to get 1140 hours, however, priority for funded ELC spaces will be given to children who live in Edinburgh.

Will my child have to take up the full 1,140 hours?

You may prefer not to take the full 1,140 hours and some settings will be able to give you less than this.

There may be a high demand in some areas for 1,140 hours which means we will be unable to offer reduced hours.

Can my child attend nursery for more than the funded 1,140 hours?

You may be able to pay for more hours depending on available places. We will prioritise giving children their 1,140 hours first and your nursery can tell you if they can offer extra hours.

Will meals or snacks be provided?

Children who move to 1,140 hours will be entitled to a funded meal if their session is longer than four hours. Settings will also provide snacks and parents may be asked to contribute to the cost of this.

A funded meal may be offered as a Breakfast, Lunch, Light Tea or Snack (am & pm). Please discuss with your setting how this will be offered.

Is my 2-year old eligible for a funded nursery place?

Your 2-year old may be entitled to a funded place if you receive one or more of these benefits:

- income support
- income based Jobseekers Allowance
- income based Employment and Support Allowance
- Incapacity Benefit or Severe Disablement Allowance
- State Pension Credit
- Child Tax Credit but not Working Tax Credit with annual household income below £16,105

- both maximum Child Tax Credit and maximum Working Tax Credit with annual household income below £7,320
- support under part VI of the Immigration and Asylum Act 1999
- Universal Credit with monthly household earned income of £610 per month or below (based on equivalent of £7,320 per year)

Or if your child is:

- looked after
- under a kinship care order
- living with a parent-appointed guardian.

What if my child has an additional support need?

Funded hours are available for all 3 and 4-year olds and eligible 2-year olds. We will continue to help children with additional support needs and staff at your nursery will give you advice on the type of support that is available.

Children may need support if:

- they're on the child protection register
- they're looked after or looked after and accommodated
- they're a young carer
- they're deaf or visually impaired
- they have a disability
- English is an additional language
- they have social, emotional or behavioural needs.
- their parents are abusing substances
- mum is pregnant or a young mum.

Further information

We will update you regularly throughout the change to 1,140 hours through your local ELC setting and our website. To find out what's available near you, contact your local nursery first.

You can find out more about early learning and childcare in Edinburgh, including nurseries near you, choosing and applying for nursery and the criteria for 2-year olds at **www.edinburgh.gov.uk/earlyyears**
