Dear Parents and Carers,

We have added a new feature to our Online Learning Journals that allows you to upload photos and comments to your child's journal.

You will now see a blue box entitled **Parent Contributions** on the left-hand side of your child's journal page. When you click on it, you will see a page like the one shown below.

By clicking on 'Add New Contributions,' you will be able to upload photos and write a short sentence about what your child has been learning/achieving at home. Your child's key worker will be able to see this and comment on your contribution.

If you are unable to access your child's Learning Journal, please inform a member of staff.

Warmest regards,

Lisa Bradley  
Acting Depute Head Teacher
