# Guitar

Empty tissue box  
Paper towel tube  
3 rubber bands  
Tape  
Scissors  
Marker

## Method

Cut around edge of box opening and cut away plastic.

Make a hole at the top of the box for the paper towel tube.

Insert tube. If it doesn't fit well, use tape to secure it.

Add the strings by putting the bands around the box each side of the neck.

Decorate and play away!
