Thursday 13 August 2020

Dear Parents and Carers,

I just wanted to give a wee update on today. I know you're probably feeling bombarded with information however it will slow down once everything is properly settled.

We are having another fantastic school day with the second half of our children. The fact that every child has returned to school happy and excited is a credit to all of you. I'm sure there has been some anxiety about returning to school however, that has not been at all evident. Thank you all for all the preparation at your end to make this as smooth a return as possible.

We have been especially impressed at our new primary one children. Considering some of them had never set foot in the building, it's been so lovely to watch them sit beautifully in the playground and listen to their story then line up and come into school like they've done it a hundred times before!

Entry and exit into the playgrounds

Due to the current traffic issues and the fact that from tomorrow all children will attend each day, we will be introducing a one way system for each of our playgrounds. Thank you to the parent who suggested it!

We are looking at this today and getting all the necessary signage so it's likely this system will be in place from Monday but I will keep you updated.

Can I emphasise that

- **You should not wait around gates and fences in the morning as this is causing issues for others arriving/leaving**
- **Once you have collected your child at the end of the day you need to leave the playground promptly.**

Current Tram works traffic issues

I am hoping to meet with someone from the Tramworks Traffic Management Team over the next few days and will liaise with the Parent Council to raise any issues. Please can you therefore share your concerns with The Parent Council.

Breakfast Club

Breakfast Club will reopen on Monday and will now be in the lower two classrooms in the Link Building. Parents who are registered for places will receive separate information on the new procedures.

Please continue to email in any questions or concerns and we'll try to answer them as quickly as possible.

Best wishes,

Maria Gowans
