

Dear Parent / Carer

***NHS Lothian 2-5 year old Flu clinics
Saturday 5th and Sunday 6th December***

Children registered with an Edinburgh GP practice

*If your child is aged 2-5yrs (and not yet at school) and you have missed the appointment offered for flu vaccination for your child, there will be an opportunity for your child to attend a drop in clinic on the weekend of **Saturday the 5th and Sunday the 6th of December at the Royal Hospital for Children and Young people, 50 Little France Crescent, Edinburgh, EH16 4TJ***

This will be a drop-in clinic between the hours of 9am and 4pm. Please note you may experience a wait.

Please note that if you have received an appointment for a flu vaccination for a date between now or after 6th December you should attend that appointment – ***the drop in clinic is only for those who have missed their appointment already.***

The flu vaccine offered will be the nasal spray – if your child requires flu vaccine by injection for medical or religious reasons please approach your GP practice for this.

Protecting your child from Flu is important.
