

Broughton Primary School Sparkle Jar

- Sparkle jars are bright and above all sparkly! They are fun to make!
- **There is a prize for the best sparkle jar, judged by the school.**
- The sparkle jars will become minor prizes for the children's raffle.
- Only Broughton Primary School schoolchildren can win the prize for the best sparkle jar, but extra sparkle jars can be made by adults, or by brothers and sisters, not in Broughton Primary School. This will increase the fun and the number of sparkle jars coming to the school, to act as children's raffle prizes.

How to make a Sparkle Jar

1. Take an empty jar with a lid, any size will do
2. Fill with toys or sweets from your home, use the lid to keep them safe!
3. Decorate the outside of the jar into something festive
4. Put your name and class on the bottom
5. Bring to the school by Friday 11 December 2020
