

November 2021

It has been a very busy term in the nursery so far. The children have been introduced to our new Talking Tubs and have used them to explore the season Autumn. It was great to hear them share with each other what they know about Autumn and what they would like to learn more about. The children have also enjoyed learning about the festival of Diwali which is a festival of lights. They have been making some beautiful Rangoli patterns and sharing their own experiences of celebrating Diwali. I hope you have enjoyed seeing their learning on your child's learning journal. We will continue to share with you what is happening in the nursery on your child's learning journal and through our page on the school website.

Children in Need

Broughton Primary will once again be joining in the fun on **Friday 19th November** as part of Children in Need. Our Pupil Council have requested that if they want to, the children can come to nursery dressed in yellow or wearing spots and if they want to be comfortable the children can wear their pyjamas. As before, donations can be made through ParentPay.

Christmas Activities

This week we have received guidance from CEC on what we are able to do over the Christmas period. Unfortunately, we are still not able to have any parents or family members in nursery. Dates for any events or Christmas celebrations with the children will be shared nearer the time.

Dates for your Diary

Term Time Children Only

Fri 19 Nov – Children in Need

Fri 17 Dec – Term Ends

Thus 6 Jan – Children resume

All Year Round Children

Fri 19 Nov – Children in Need
Mon 27 Dec – Nursery Closed
Tue 28 Dec- Nursery Closed
Mon 3 Jan – Nursery Closed
Tue 4 Jan – Nursery Closed

Thank you for remembering to wear masks when in the nursery garden. We are still required to keep 2m between adults in and around school and nursery and to ensure there are not too many adults collecting in the nursery garden. Can I also remind you that if a member of the family tests positive for Covid, then everyone in the household age 5 and over must self-isolate and have a PCR test. Any children under the age of 5 are not required to have a PCR test unless showing symptoms, however we would encourage them to have either a LFD or PCR test. Please inform us if this is why your child is absent from nursery. Children can return to nursery if the result is negative.

Samantha Rushforth, Depute Head Teacher and the nursery team.
